01 About Us

One-stop Intelligent Solutions

Tailored to global clients' evolving needs

With offices in Ethiopia and China, Taizhou Luckystar Intelligent Technology Co., Ltd. is a high-tech enterprise specializing in integrated weak-current intelligent systems. We are dedicated to delivering one-stop intelligent solutions tailored to meet the evolving needs of global clients.

Global Presence

Offices in Ethiopia and China

Core Expertise

Integrated weak-current intelligent systems

02 Our Products

CCTV Cameras

🕒 Bullet, Dome, PTZ,
Thermal

Access Control

👤 Turnstiles, Barriers,
Biometrics Terminal

Fire Alarm

🔔 Fire Alarms, Evacuation
System, Fire phone

02 Our Products

Security Checking

WTMD, HHMD, Baggage
Scanner, Bollard, UVSS, EAS

Power Solutions

UPS, BESS, Solar Systems

LED Screen Solutions

Transparent, Curved, Rental

02 Our Products

EV Charging Stations

*Efficient and reliable charging solutions for electric vehicles.
DC & AC Chargers*

Integrated Wiring

Comprehensive structured cabling systems.

Queue Management System

Efficient customer flow management for banks, Government, hospitals, and retail outlets.

02 Our Products

Drone & Anti-drone

Advanced UAV solutions for various industries.

IT Product Distribution

Distribution of Dell, HP, Lenovo, Seagate, WD products.

Intelligent Vending Machine

Smart retail solutions for 24/7 services.

02 Our Products

IP Telephony (PBX)

Advanced business communication solutions with IP PBX systems.

Transmission Equipment

High-speed fiber optic transmission equipment for data networks.

Special Purpose Vehicles

Customized vehicles for specific operational needs.

03 Our Solutions

By Scenario

Video Conferencing

High-definition video and audio for seamless remote meetings.

Smart Parking System

Automated guidance, space detection, and payment solutions.

Smart Weighing System

Precise automated weighing with data integration capabilities.

03 Our Solutions

By Scenario

Video Wall System

Large-scale, high-resolution display walls for command centers and public information.

Building Facade Lighting

Dynamic and energy-efficient LED lighting to enhance building aesthetics.

Audio Video System

Integrated sound and video systems for auditoriums, conference rooms, and events.

03 Our Solutions

By Scenario
