1. Introduction

Introduction

Specializing in precision sheet- metal parts, smart parcel lockers, mailboxes, and custom enclosures.

- 10+ years' experience with full in- house CNC cutting, bending, punching, laser processing, powder coating, and chemical etching
- Zhejiang Postal Administration—certified for postal supplies
- Strategically located 6 km from Lianhang Expressway, 50 km from Xiaoshan Airport for rapid delivery

Quality, precision and integrity — let's discuss your next project.

Production Bases

Hangzhou Headquarters

Huzhou Subsidiary Factory

The factory area is over 2,000 square meters and employs more than 60 people

Strengths of LUODE

- **2** Million Sets/Year Production Capacity
- **13** Heat Pump Production Lines
- **23** Test Laboratories
- **44** Material Test Machines
- **50+** QC Engineers
- **150+** R&D Engineers
- **1000+** Staff
- **1100+** Heat Pump Patents

Advantages of LUODE

1. Manufacturing

Integrated sheet metal production with laser cutting, bending, welding, and assembly—ready for both small batch and large-scale OEM orders.

2. Technology

Modular smart lockers and mailboxes with QR/NFC access, remote control, and fully customizable configurations.

3. Export & Service

Over 10 years of export experience with full OEM/ODM support, fast response, and global delivery readiness.

4. Global Trust

Serving real estate and logistics clients worldwide with secure, efficient, and scalable smart storage solutions.

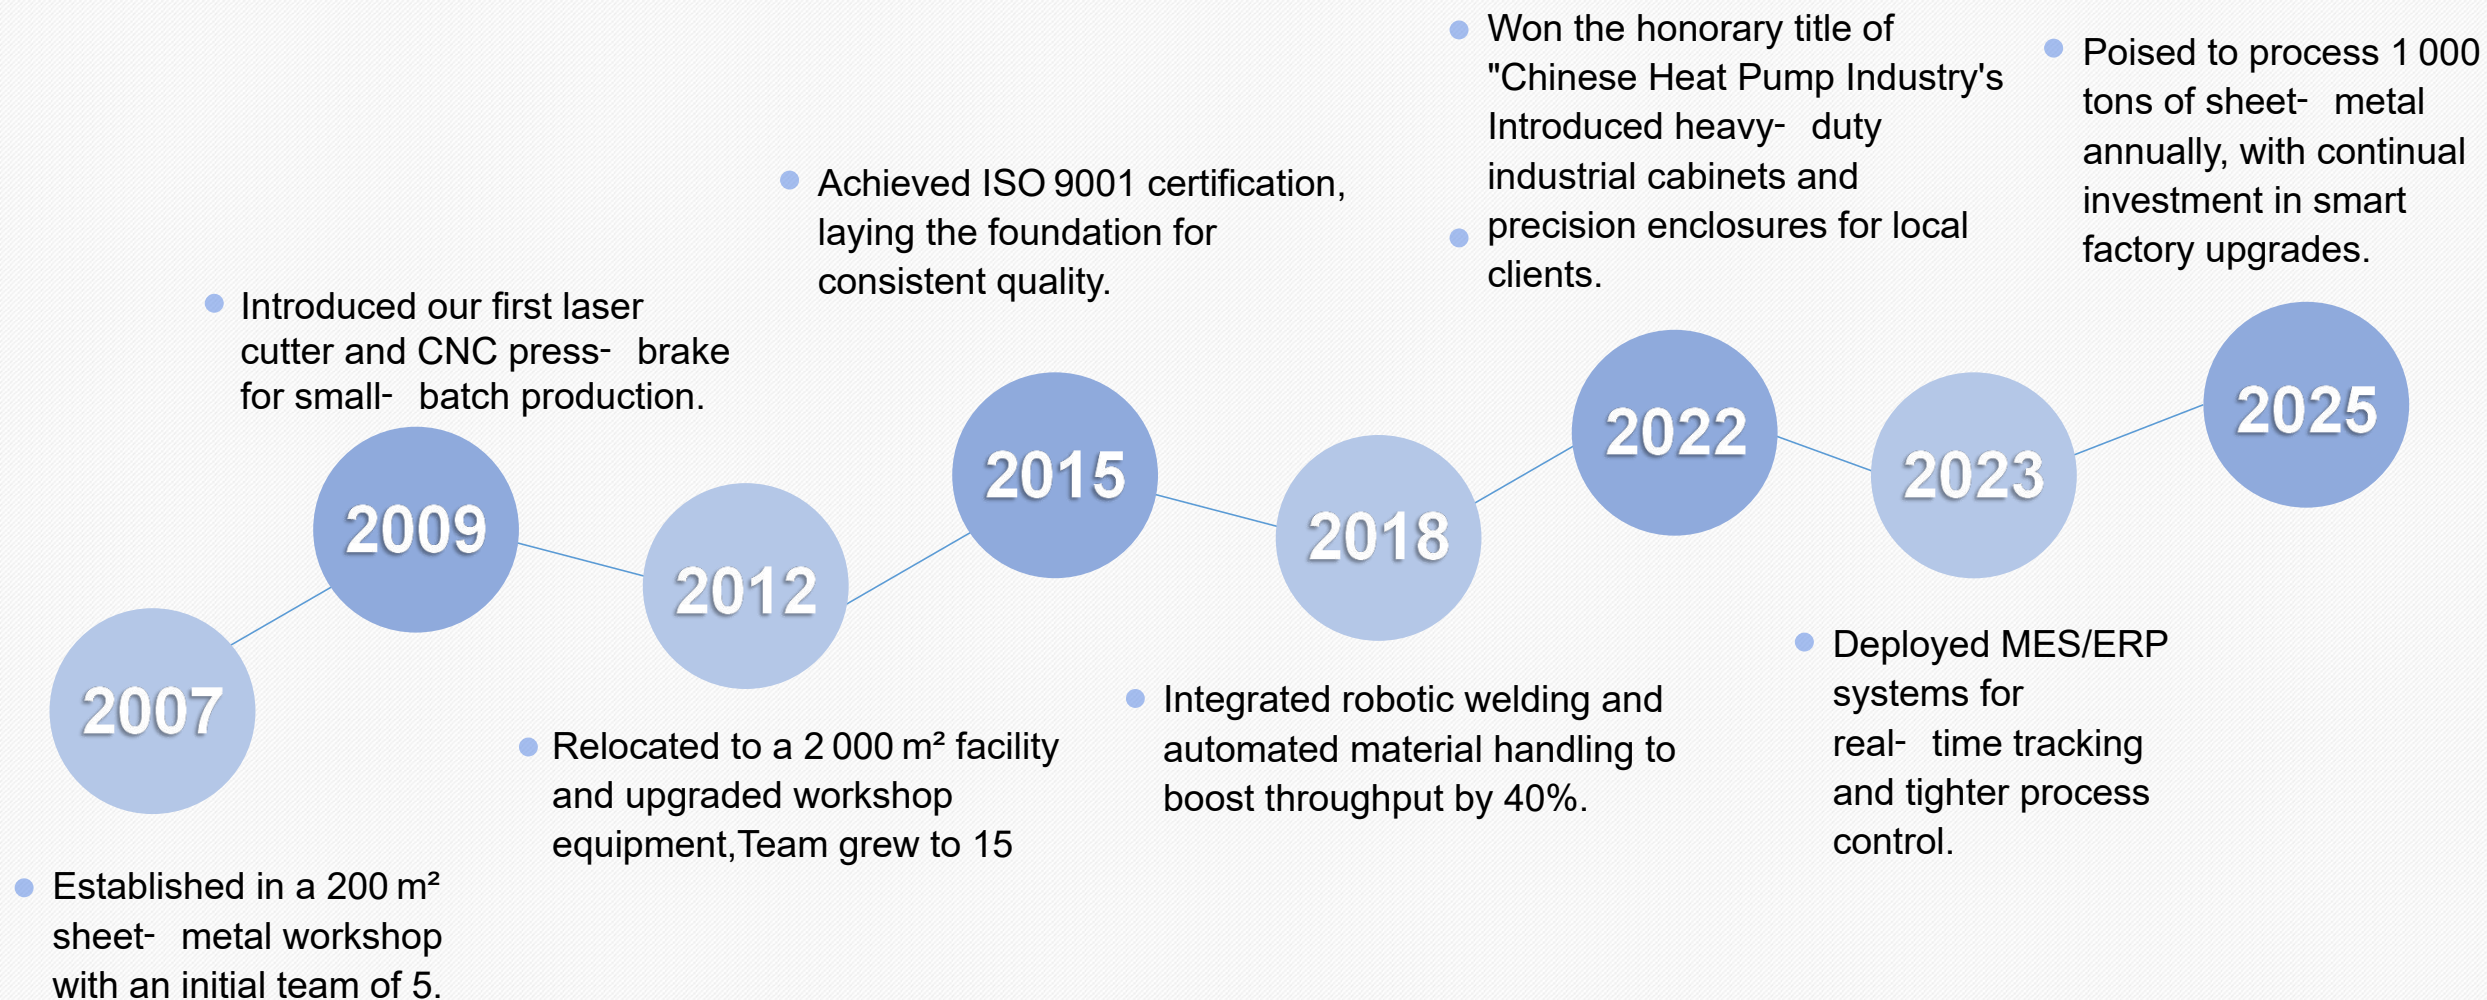

LILUODE®

- Mailbox Series

- Parcel Box & Express Box

- **Stainless steel cabinet**

- Custom Metal Bending Parts

- Door Panel Fixing Plate&Hinge Repair Plate

Swimming Pool Heat Pump

Residential Series:

Brushed Stainless Steel Mailbox

Rose Gold Mailbox

Rose Gold Pillar Mailbox

Safe & Gun Safe Series

Commercial Series:

Parcel Box

Medicine Cabinet

Mousetrap Series

Logo and signage series

Smart express lockers

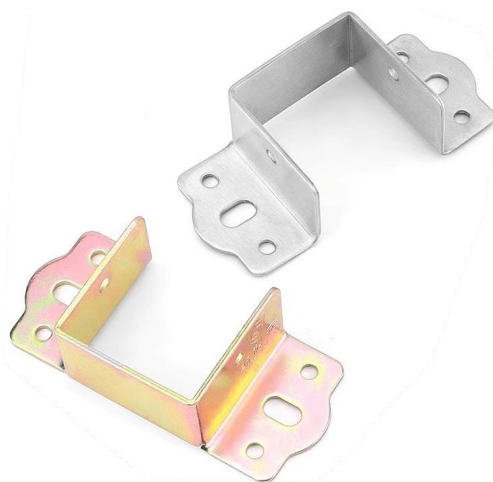

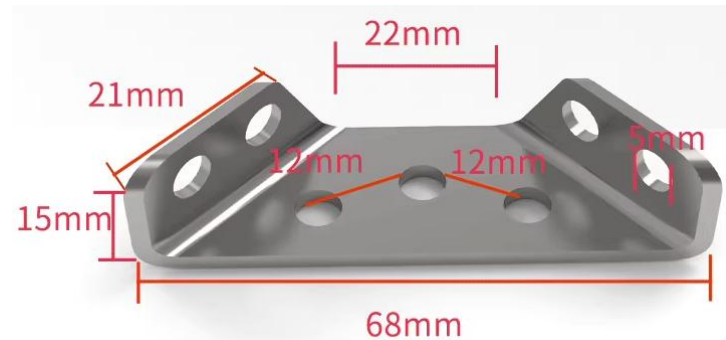

Power tool charging cabinet

Sheet Metal Parts&metal fabrication
